

Hollard.

Dear Motor Body Repairer

In the course of the last few weeks a number of vehicles have been stolen from various Motor Body Repairers' premises and vehicle dealerships in Gauteng.

The Modus Operandi of this syndicate is to call in and inform the repairer that they have been instructed to collect the vehicle on behalf of the client and parade as a family member, work colleague etc.

In some cases they even deposit the excess amount into the repairer's bank and bring the proof of payment. The syndicate seems to specifically target Motor Body Repairers and vehicle dealerships, and it appears that only high value vehicles are being targeted. Hollard has had 5 high end SUV's and a luxury sports car stolen in this manner. In addition, one of Hollard's vehicle tracking partners has also confirmed that they have had at least 5 similar cases reported to them over the past 2 weeks. Please be vigilant with all vehicles in your possession.

Hollard encourages you to confirm with the client before releasing any vehicle to a third party.

Should you require more information please contact Malcolm Schnoid on 011 351 1075 or Ronald Manlal 011 351 1448
